
Comprehension

focus on reading comprehension

We offer a tailored program to students struggling with comprehension of text. Our programs are based on areas identified from the student's initial MultiLit assessment.

Who is it for?

- ▶ Students in Year 3 up to adults who are accurate and fluent readers but require assistance with comprehending text.

Program benefits

- ▶ Direct instruction in core reading strategies
- ▶ Student learning through structured lessons
- ▶ Definitions and examples to improve understanding of text
