About MultiLit Literacy Centres

MultiLit, a research initiative of Macquarie University, offers proven programs to improve reading accuracy, fluency, comprehension and spelling, designed specifically for students who are reading at a level significantly below their peers.

Our most recent analysis has shown that students who have completed two-term programs at a MultiLit Literacy Centre made three to six times greater progress than they were typically making prior to receiving MultiLit instruction.

Our School Holiday Programs provide similar benefits to our regular School Term programs in an intensive format.
